

space job vacancies sessional youth workers

Want to be part of something **awesome**? 

Got some **spare time** in the evenings?

Have **experience** working with young people?

space is a unique, high quality service for young people in Bedford who have experienced domestic abuse

we need people who...

are **genuinely big fans** of the youth of today

 love to **play, laugh, learn** and **dream big**

have time to **develop** a whole host of **new skills**

are **proactive, capable, open minded**

and love a challenge....

we welcome different languages, genders, heritages & stories...your adventure awaits

interested?

we can't wait to hear from you!
